Professional Summary

An experienced education professional with over 8 years of expertise in early childhood education and leadership roles. Passionate about contributing to the Vancouver School Board as a volunteer, I am dedicated to creating positive learning environments and supporting the academic and emotional growth of students. With strong communication skills, a creative approach to education, and a background in community engagement, I aim to work collaboratively with educators and parents to enhance student success. I am eager to contribute my skills in supporting educational projects, tutoring, and fostering inclusive learning spaces for students.

Key Skills

- **Communication:** Fluent in both English and Vietnamese, with strong interpersonal skills to effectively engage with students, parents, and staff.
- **Collaboration:** Experienced in team-based environments, providing guidance and support to staff, while also collaborating with community members to promote positive educational outcomes.
- **Time Management:** Highly organized, able to balance multiple tasks and prioritize responsibilities efficiently.
- **Instructional Support:** Skilled in providing guidance to both students and educators to improve classroom performance and enhance learning.
- **Creative Teaching:** Innovative in designing engaging activities to help students learn and develop their skills in a fun and supportive manner.
- **Cultural Sensitivity:** Adept at working with diverse student populations, including those with special education needs, and creating inclusive educational experiences.
